There are lots of shallow areas need to be aware so please check your maritime / nautical map for more detailed information.

- Pier/Slips - Transient floating dock with approx. 9 to 12 slips available
- Depth is around 3 feet but maybe 4 feet depth around bulkhead and 7 feet depth further out If you draw more that 3 or 4 feet – anchor out and dinghy in
- No electric or water at this time
- Overnight tie up okay – suggest no more than two nights – no slip charge at this time
- No facilities – Seasonal concession stand with bathrooms open during the day only – closed October-March - locked at night
- No crabbing or fishing is permitted
- Canoe/Kayak floating launch is available
